

Overwater Marina has generously donated Turnpike Field for parking and camping for our event. To ensure we respect the owner's wishes and return the ground in the condition we found it, as well as ensure everyone can enjoy their stay, there are a few rules/notes that need to be followed/observed:

- Pitch prices are for 1 motorhome, caravan, or 1 tent and 1 car.
- There must be a 6-metre gap between the closest point of any caravan, mobile home, van or tent. This does not include vehicle awnings
- Please be considerate with the amount of space you use. Please look to stay within a guide largest size of 8 by 5 metres
- Minimal noise after 11pm. The time to make noise is at the event, please respect those that want to/need to sleep.
- Well behaved dogs are most welcome; please take the appropriate measures to ensure your dog(s) do not interfere or upset/worry any other users of the field (human or otherwise). This includes unreasonable barking
 - Any dog mess MUST be cleared up immediately and disposed of appropriately
- If staying until Tuesday please leave before 12pm
- No fire damage to the ground
 - No open fires
 - BBQs must be lifted off the floor
- All litter must be taken or safely disposed of, and the site left completely clear. A skip is provided but please supply your own bin bags.
- Please respect local business and do not consume your own food and drink on their property
- Grey wastewater may be disposed of in hedges and verges. Please DO NOT dispose of anything that is not liquid in this manner.
- Brown waste is to be disposed of in the Elsan tank. Please DO NOT use the toilets
- All caravans on site must be fully insured for fire, theft and 3 party liability
- Your stay is at your own risk
- If your vehicle/tent etc. is left beyond 5pm Tuesday, the property owners retain the right to remove it at your expense
